

Minnesota Water Garden Society

The Minnesota Water Garden Society (MWGS) will be outdoors in the Garden Fair selling a wide variety of hardy and tropical plants that like it damp, wet, or submerged. Great for rain gardens, bogs, ponds, containers, and that wet spot in the yard. MWGS has expanded its offering of large tropical plants, especially taro, canna, and papyrus, since those are not available at the Friends School Plant Sale. MWGS also sells pond fish: koi, shubunkin, and goldfish. Consult with knowledgeable water gardeners on your needs and desires before you buy.

MWGS was founded in 1997. Its mission is to increase enjoyment and enthusiasm for water gardening through promotion, education, and shared experiences.

Carnivorous

Pitcher Plant *Sarracenia* All will be 5-year-old blooming size. These are greenhouse-started with actively growing traps. Pitcher plants require winter dormancy, special growing medium, and mineral-free water, but are surprisingly easy to grow. Care instructions included with each purchase. ○ 3" or 3.5" pot \$25.00

Formosa (NEW) *Sarracenia x formosa* (*S. minor* x *psittacina*) Low rosette of dense pinky red tubes develop deepest color in full sun. Scarlet flowers before the traps emerge, but last throughout the season. 4–6"h

Maroon (NEW) *Sarracenia purpurea x rubra* Dark maroon traps all season, including winter. Fragrant dark red flowers bloom in early spring. 6–8"h Zone 5

Northern Purple *Sarracenia purpurea purpurea* Native MN pitcher. Deep reddish-purple very stout, waxy pitchers. Holds color through winter. Dark red fragrant flowers. 4–8"h

White Trumpet *Sarracenia leucophylla* White areoles (windows) dominate the upper portions of the tubes, attracting many flying insects. Produces a few nice traps in the spring, then large vigorous traps in fall when other pitcher plants dwindle. 8–28"h Zone 5

Hardy

Angelica, Korean *Angelica gigas* Blooms burgundy in fall through hard freeze. Striking plant for moist woodland or bog. ○ ● 36–60"h 4" pot \$4.00 and 6" pot \$7.00

Blazing Star, Floristan Violet (NEW) *Liatris spicata* Bright violet-purple flowers on a spike blooming top to bottom over four weeks or more. Cultivar that is slightly more compact than the native. ○ 36–48"h 4" pot \$4.00

Bloody Dock *Rumex sanguineus* An edible herb (sorrel) with dark red veins on deep green upright foliage that likes wet feet. ○ ● 12–15"h 2" pot \$5.00

Brooklime, European *Veronica beccabunga* Spectacular creeper over the sides of containers, in streams and along the pond edge. Glossy green foliage stays all summer long with tons of periwinkle blue flowers in spring. ○ ● 4–8"h 2" pot \$5.00 and 1 qt. pot \$15.00

Butterbur *Petasites hybridus* Huge leaves. Likes moist woodlands or bogs. Deer- and rabbit-resistant. ○ ● 36–48"h 1 gal. pot \$7.00

Cardinal Flower, White (NEW) *Lobelia cardinalis alba* Bright white flower spikes early to midsummer attract pollinators. Great for cutting. ○ ● 24–36"h 4" pot \$4.00

Cattail, Miniature *Typha minima* The true miniature. Perfectly dainty in a container. Catkins about 1" round. ○ ● 12–15"h 4" pot \$7.00 and 1 qt. pot \$15.00

Chameleon Plant *Houttuynia cordata* Tricolor variegated heart-shaped leaves on vining plant with underground rhizomes. ○ ● 8–12"h 4" pot \$7.00

Golden Club *Orontium aquaticum* A true aquatic. Pointed oval leaves repel water like a lotus. Long golden spadex adds interest in late spring. Zone 5 ○ 12–24"h 2" pot \$5.00

Hibiscus, Disco Belle Mix (NEW) *Hibiscus moscheutos* More compact than most hibiscus with a flourish of 8" flowers. Mix of pink, white or red with red centers. Slow to break dormancy. ○ 30–36"h 4" pot \$4.00

Iris, Black Siberian (NEW) *Iris chrysographes* Near-black iris with the tiniest flash of gold in the throat, like a midnight star. ○ ● 18–20"h 2" pot \$5.00

Iris, Louisiana *Iris* Native southeastern wetland iris. ○ ● 24–36"h

Ann Chowning Vermillion red 6" flowers with lemon-yellow signals blooms late spring. Mary Swords DeBaillon Medal winner. 2" pot \$5.00

Black Gamecock Unmatched vigor of velvety purple-black 6" flowers. 4" pot \$7.00

Dixie Deb Vibrant sulfur yellow flowers and darker veining in early to mid-spring. Mary Swords DeBaillon Medal winner. ○ ● 2" pot \$5.00

Red Velvet Elvis Dark velvety red-black ruffled flowers with small orange spear. 2005 Mary Swords DeBaillon Medal winner. 2" pot \$5.00

Wow Factor Cross of Louisiana with an Australian variety, producing much larger lemon yellow and chocolate blended petals with cinnamon veins. Zone 5 ○ ● 40–48"h 2" pot \$5.00

Iris, Japanese Variegated (NEW) *Iris ensata* 'Variegata' Early midseason bloom of bluish-purple. Stunning silvery vertical variegation stays strong all summer. RHS Award of Garden Merit. ○ 24–36"h 2" pot \$5.00

Iris, Water Blue *Iris laevigata* Deep blue-purple bloom with bold white streak. True water-iris ○ ● 24–36"h 2" pot \$5.00

Lizard's Tail *Saururus cernuus* Heart-shaped 6" green leaves alternate along a slender stem. Long weeping panicles of white flowers at the tips of the stems look like a lizard's tail. ○ ● 18–36"h 2" pot \$5.00

Marsh Marigold, Double (NEW) *Caltha palustris* 'Plena' Rare double flowering variation of our beloved Minnesota native marsh marigold ○ ● 6–12"h 1 qt. pot \$15.00

Marsh Marigold, Giant (NEW) *Caltha polypetal* Larger buttercup yellow flowers and noticeably larger plant than the Minnesota native marsh marigold ○ ● 12–24"h 1 qt. pot \$15.00

Rush, Pickerel Pink *Pontederia cordata* 'Pink Pons' Tall glossy elongated leaves start late, but put on a beautiful all-summer show. Pannicle of rosy pink flowers mid- to late summer. ○ ● 24–36"h 1 qt. pot \$15.00

Sedge, Bowles Golden *Carex elata* Bright gold tufted foliage with thin green margins. Moisture-loving grass that needs to be constantly wet or moist to thrive. ○ ● 24–30"h 2" pot \$7.00

Sweet Flag, Variegated *Acorus calamus variegata* Iris-like foliage with unusual vertical variegation. Maintenance-free. ○ ● 24–36"h bareroot \$3.00–\$10.00

Thalia, Powdery (NEW) *Thalia dealbata* Clump of long, paddle-shaped blue-green foliage atop strong upright stems. Packed panicles of purple flowers sit at the end of a long arching stem. Zone 6 ○ 36–72"h 2" pot \$5.00

Water Baby's Breath, European *Alisma plantago aquatica* Hosta-like plant for the water. Provides a flourish of white to bluish tiny flowers on a tall spike. ○ ● 24–36"h 4" pot \$6.00

Water Celery *Oenanthe javanica* Great filtering bog plant with celery-like foliage and flowers. ○ ● 8–15"h 6" pot \$5.00

Water Forget-Me-Not *Myosotis scorpioides* Periwinkle blue flowers on plant that thrives in water and wet feet. ○ ● 6–8"h 2" pot \$7.00 and 1 qt. pot \$15.00

Yerba Mansa (NEW) *Anemopsis californica* Sturdy thick oblong green leaves turn shades of gold and orange in fall. Spray of bright white petals surround a long cone-like stigma. Zone 5 ○ 12–24"h 2" pot \$5.00 and 1 qt. pot \$15.00

Lotus *Nelumbo nucifera*

All lotus are Minnesota-hardy bareroot tubers. Prices vary depending on size, number of growing tips, and variety. Multiple prices are available in each variety. Varieties are selected for prolific blossoms in our climate and are priced for every budget, but under \$15.00 may be too small to bloom this year. Planting instructions included. ○ bareroot \$5.00–\$50.00 (priced at the sale)

Ai Jiangnan (NEW) Huge flowers of cheery yellow with green tips on first day of blooming, adding some creamy pink on subsequent days held above low and wide blue-green leaves. M

Beijing Temple of Heaven (NEW) Super-saturated pink flower color with an emerald green receptacle and a large collar of heavy white anthers. L

Dancing in Jade Tower Best Minnesota bloomer in 2021. Grows to size of the container, perfect for small pots on the patio. Single and semi-double on same plant changes pink to white with pink edges. S

Dunhuang Red (Dunhuang Hong) (NEW) Luscious pink flowers bigger than a dinner plate. Broad petals. L

Fire Red (NEW) Sassy red single-petal bowl lotus grows 18" in 5 gallon pot, but also fine in 2 gallon pot. S

Green Maiden A semi-double soft pink lotus with green undertones, it occasionally produces a lucky double flower on a single stem. Very easy to grow. MiniS

High Cotton Pure white wide outer petals hold more narrow curled inner petals with bright gold stamen and green receptacle. L

Impressions of West Lake (NEW) Early and often bloomer with deep red perfect shape, and flowers high above leaves. L

Lady Bug Itsy bitsy, teeny tiny, little love bug of a lotus! A bright red little powerhouse that blooms almost non-stop. Can be grown in a bowl or larger pot for larger lotus. Mini

Maggie Belle Slocum Classic pointed lotus flowers of deep fuschia. Large and free-flowering. L

Minnesota Native Yellow *Nelumbo lutea* (NEW) Our native Minnesota lotus! Warm creamy yellow flowers with deep green leaves can be seen from afar. L

Nanjing Love 16 (Yu Hua Qing 16) (NEW) Winner of China's National Lotus Competition. Creamy white with purple-violet on outer petals and green tips on inner petals. SM

Sing Birdie Sing Lovely white petals are rimmed in deep purple-pink. Can be grown in a very small pot. A MWGS favorite from 2021. Also grown at Como Conservatory in their Bonsai Garden Display. SM

Somahai (NEW) Perfect classic dense deep pink flowers stand high above leaves. Light pink centers retain deep pink tips as it ages. M

Tender Love (Lian Ai) MWGS best red lotus from 2021. Blooms continuously throughout summer with single-petal deep red flowers. Highly recommended for a novice grower. S

Tulip Lotus (Shirokunshi) (NEW) Blooms all summer long with white classic single-petal flowers. L

White Phoenix (Bai Feng Guang) (NEW) Perfect for tabletop. Incredible number of blossoms on a compact plant, can be grown in a microbowl. Mini

Yileen Garden (NEW) A lotus grown for eating! Baseball-sized tubers. Grow in a sunken kiddie pool for best results. Infrequent white blooms. XL

Minnesota Native

Arrow Arum *Peltandra virginica* Dense clump of arrow-head leaves with reddish stems and calla lily-like flowers. ○ ● 18–24" 3" pot \$5.00

Arrowhead, Broadleaf *Sagittarius latifolia* Small white flowers in spring. Grown for large arrowhead-shaped leaves. Edible tuber. ○ ● 18–24"h 2 tubers \$5.00 and 1 qt. pot \$15.00

Aster, Red-Stemmed (NEW) *Aster puniceus* Abundance of small light violet-blue flowers with yellow centers. Blooms late autumn past first frost. Native habitat is spring-fed swampy meadows. ○ 48–96"h 4" pot \$4.00

Blazing Star, Marsh *Liatris spicata* Erect spike of rose-purple flowerheads with grass-like leaves extending up the stem. ○ ● 36–48"h 4" pot \$4.00

Bog Bean *Menyanthes trifoliata* Three-lobed leaves grow from rhizomes along the water surface. Trailing roots good for fish spawn. ○ ● bareroot \$3.00

Bulrush, Soft-Stemmed *Schoenoplectus tabernaemontani* Graceful blue-green cylindrical foliage. Less aggressive than cattails. ○ ● 24–72"h 6" pot \$7.00

Calla Lily, Native (NEW) *Calla palustris* Plant along slow-moving stream banks, in bogs, or in a floating island. Thick waxy leaves with a bright white calla flower in late spring. ○ ● 6–12" bareroot \$4.00

Cardinal Flower, Red *Lobelia cardinalis* Bright red tubular flowers July–September. ○ ● 24–48"h 4" pot \$4.00 and 1 qt. pot \$15.00

Coneflower, Cutleaf *Rudbeckia laciniata* Tall branching stems with serrated, lobed leaves and yellow flowers July–October. ○ ● 50–84"h 4" pot \$4.00 and 6" pot \$7.00

Cup Plant *Silphium perfoliatum* Huge showy plant with sunflower yellow flowers, tolerant of clay and likes wet feet. Leaves surround distinctive square stem forming a "cup." ○ ● 48–96"h 6" pot \$5.00 and 1 gal. pot \$8.00

Fireweed *Epilobium angustifolium* Narrow-leaved, tall, showy wild flower forms large waves of purple blossoms June–September. ○ ● 24–60"h 4" pot \$4.00

Horsetail Rush *Equisetum hyemale* Scouring rush for wet feet in a pond or rain garden. ○ ● 18–24"h 6" pot \$7.00

Horsetail, Dwarf *Equisetum scirpoides* Darling miniature with fine segmented foliage ○ ● 4–8"h 3" pot \$5.00

Iris, Blue Flag *Iris versicolor* For shallow water or rain garden. ○ ● 18–24"h

Blue Beautiful periwinkle iris. 4" pot \$4.00 and 1 qt. pot \$15.00

Deep Rose (NEW) Naturally occurring very rare variation of blue flag iris with rosy red tinted blossoms. 1 qt. pot \$12.00

Ironweed, Common *Veronica fasciculata* Intense purple blooms. Tolerates moist soil with brief flooding, making it great for rain gardens. Cut back stems in late spring for more flowers and shorter growth. Self-seeds. ○ 24–48"h 4" pot \$4.00

Jewelweed *Impatiens capensis* Annual impatiens for wet feet. Speckled orange blossoms. Self-seeds. Poison ivy antidote. ○ ● 36–48"h 4" pot \$4.00

Joe Pye Weed, Sweet *Eupatorium purpureum* Clusters of bright pink flowers in late summer. Perfect for any damp area, drainage ditch, edge of pond or rain garden. ○ ● 48–72"h 4" pot \$4.00

Lobelia, Great Blue *Lobelia siphilitica* Blue tubular flowers July–September. ○ ● 24–36"h 4" pot \$4.00 and 1 qt. pot \$15.00

Minnesota Water Garden Society

Mallow, Rose *Hibiscus laevis* Our only native hibiscus. Large, five-petaled, hollyhock-like flowers (to 6" diameter) with white to pink petals and maroon eyes on smooth stout stems. Blooms midsummer into fall. Late to leaf out in spring. Tolerates short periods below water. ○ 48–72" h 4" pot \$4.00

Mare's Tail *Hippuris vulgaris* Soft bottlebrush-like stems rise above shallow water. Native version of parrot feather. ○ 6–12" h 1 qt. pot \$15.00

Marsh Marigold *Caltha palustris* First to bloom in spring. Bog charmer with cup-shaped yellow flowers. ○ 6–12" h 4" pot \$4.00, 1 qt. pot \$15.00, 1 gal. pot \$20.00

Milkweed, Sullivant's *Asclepias sullivantii* More uniform pink flower color and less aggressive than common milkweed, handling slightly more damp soil. Excellent hummingbird/butterfly attractor. ○ 24–36" h 4" pot \$4.00

Milkweed, Swamp *Asclepias incarnata* Easily grown in poor to average moist to wet soil. This native narrow-leaved bloomer is particularly attractive to monarchs for both nectar and larva. ○ 36–60" h 4" pot \$4.00

Monkey Flower, Lavender *Mimulus ringens* Snapdragon-like lavender flowers. For pond edge or rain gardens. ○ 36–48" h 4" pot \$4.00 and 6" pot \$7.00

Rush, Common *Juncus effusus* A true rush with smooth, upright, spire-like stems that grow in spreading basal clumps. Submerge up to 4". ○ 24–36" h 4" pot \$4.00

Rush, Pickerel Blue *Pontederia cordata* Long, glossy, heartshaped leaves with bluish purple spikes of flowers. ○ 24–36" h 3" pot \$5.00 and 1 qt. pot \$15.00

Sedge, Lake *Carex lacustris* Large clumping lakeshore sedge for accent or wildlife. ○ 36–48" h 3" pot \$5.00

Sedge, Tussock *Carex stricta* Clump-forming sedge with fountain-like foliage tolerates a bit of shade and periods of flooding. Nice tan fall color too. ○ 16–24" h 3" pot \$5.00

Smooth Petunia *Ruellia strepens* 2" lilac-lavender petunia like flowers last a day, but blooms from May to September. Care-free, will self-seed. ○ 18–30" h 4" pot \$4.00

Spatterdock *Nuphar advent* Large heart-shaped leaves float on the water's surface with flowers held above water like golden yellow tennis balls on a stick. Grow under 12–36" of water. ○ 36" spread tuber \$30.00

Sweet Flag *Acorus americanus* Strong sword-like leaves stand green and tall all season long. Fragrant tubers give the plant its name. ○ 24–36" h 4" pot \$4.00

Vervain, Blue *Verbena hastata* Deep blue-violet flower spikes bloom for up to months. Individual plants are biennial, but may colonize slowly by rhizomes from the fibrous roots. ○ 24–60" h 4" pot \$4.00

Water Smartweed *Persicaria amphibia* Tightly packed racemes of pinkish red to white flowers flourish June to September. Can be grown under water where leaves will float like a lily with blooms held above, or near the edge where it will rise to 48" without staking. ○ 24–60" h 1 qt. pot \$15.00

Tropical

Bog Lily, Red *Crinum menehune* Delightful Hawaiian plant. Burgundy foliage with pink spiky flowers. ○ 12–36" h 4" pot \$8.00

Canna *Canna* ○

African Sunset A virus-free version of Tropicanna that has the same fantastic striped foliage in red, yellow, orange, and gold, topped with fiery orange flowers in summer. 48–72" h 2" pot \$12.00 and 1 qt. pot \$20.00

Australia Stunning crimson red flowers with black-green foliage. 48–60" h 4" pot \$8.00

Bengal Tiger Dramatic green- and yellow striped- leaves with a brilliant maroon edge topped in summer with bright orange flowers that are favored by hummingbirds 48–72" h 2" pot \$12.00 and 1 qt. pot \$20.00

Minerva RHS top 200 plants in the last 200 years. Red flower buds open to butter-yellow flowers with white central stripe. Striped foliage. 48–60" h 4" pot \$8.00 and 1 qt. pot \$20.00

Red Wine Dark purple-green foliage with cherry red flowers on a tall vigorous plant. 60–72" h 1 qt. pot \$20.00

White Tiger Rare from Thailand. Amazing dark blue-green and white leaf variegation with narrow but bountiful white flowers. 30–36" h 1 qt. pot \$25.00

Hibiscus, Red Night *Hibiscus acetosella* Maroon-red foliage looks like a Japanese maple. Pink flowers open at night. Fertilize heavily and prune early for more blooms. ○ 36–48" h 4" pot \$7.00

Mosaic Plant *Ludwigia sedioides* Floating rosettes in a unique diamond geometric pattern and small yellow flowers. A conversation starter. Surface trailing. ○ bareroot 2 stems \$8.00

Papyrus, Compact Giant *Cyperus papyrus* Smaller version of 'King Tut', classic Egyptian papyrus with strong triangular stems and a huge fluffy puff of greenish flower spikelet at the top. ○ 36–60" h 1 qt. pot \$12.00 and 2.5 gal. pot \$30.00

Papyrus, Dwarf *Cyperus haspan* Shortest of the Cyperus with fuller leaf pom on top. ○ 12–18" h 2" pot \$5.00 and 1 qt. pot \$12.00

Papyrus, King Tut *Cyperus papyrus* Classic Egyptian papyrus with strong triangular stems and a huge fluffy puff of greenish flower spikelet at the top measuring about a foot across. ○ 60–84" h 1 gal. pot \$16.00 and 2.5 gal. \$50.00

Parrot Feather *Myriophyllum aquaticum* Feathery foliage for pond edges, in streams, or containers. Softens rock edges. Trailing. ○ 4" pot \$7.00 and 1 qt. pot \$15.00

Parrot Feather, Dwarf Red-Stemmed *Myriophyllum* spp. Miniature version of parrot feather with red stems. Great in small containers. Trailing. ○ bareroot 3 stems \$5.00

Radican, Marble Queen *Echinodorus cordifolius* Amphibious plant can grow underwater, or above. Above is a show: sword plant leaves with very pronounced speckled creamy white variegation. White flowers on long arching stalks. ○ 18–24" h 2" pot \$5.00

Sedge, Stargrass *Rhynchospora colorata* Showy addition to a bog or water garden. It will also grow in regular garden soil with plenty of water. ○ 12–15" h 2" pot \$5.00

Sensitive Plant, Large Leaf *Aeschynomene fluitans* Airy fronds of leaves, spaced out over the length of the stems spreads by rhizome. The dainty yellow flowers appear over the lovely green foliage. Larger than normal sensitive plant. Makes an excellent filter. ○ 36–72" h bareroot 2 stems \$6.00

Snowflake, Yellow *Nymphoides geminata* Small mottled leaves rest on surface of water. Star-shaped, fringed yellow flowers. Perfect for containers. Surface trailing. ○ bareroot 2 stems \$10.00

Society Garlic, Variegated *Tulbaghia violacea* 'Variegata' Fast-growing clump of beautiful cream and bluish green variegation with lavender garlic-like flowers. ○ 12–18" h 2" pot \$5.00 and 1 qt. pot \$15.00

Spider Lily, Variegated *Hymenocallis caribaea variegata* Showy umbels of vanilla-scented pure white flowers opening to look like a spider blooming midsummer to late fall. Strongly variegated foliage all season long. ○ 12–24" h 4" pot \$7.00

Taro *Colocasia esculenta* ○ ○

Black Magic Velvet maroon-black foliage on burgundy stems. 36–48" h 1 qt. pot \$16.00

Imperial *C. esculenta* var. *antiquorum* 'Illustris' Dark green leaves with velvety black between veins. ○ 36–48" h 1 qt. pot \$16.00

Pharaoh's Mask Rare and unusual. Super dark purple stems and heavy veins prominently rise above the large lime-green leaves and curl around the edges for a 3-D effect. ○ 36–48" h 1 qt. pot \$30.00

Tea Cup Near-black stems and veining contrast with the medium green foliage that stays partially furled creating the "tea cup" look. ○ 36–60" h 1 qt. pot \$16.00

Taro, Giant Variegated *Alocasia macrorrhiza variegata* Huge leaves held upright to horizontal, with a genetic abnormality of the variegation which making each leaf unique like it was splashed with white paint. ○ 60–72" h 1 qt. pot \$30.00 and 2.5 gallon pot \$40.00

Thalia, Red Stem *Thalia geniculata* 'Ruminoides' Overlapping bright red stems supporting large lime green ovate leaves. Long arching flower spikes of lavender-blue. ○ 48–96" h 2" pot \$5.00, 1 qt. pot \$15.00, 2.5 gal. pot \$50.00

Umbrella Palm, Dwarf *Cyperus alternifolius* 'Gracilis' Smaller version of umbrella palm for the smaller pond or container. ○ 18–30" h 2" pot \$5.00 and 1 qt. pot \$12.00

Umbrella Palm, Medium *Cyperus alternifolius* Maintenance-free accent for container or water garden in shade or part sun. ○ 36–60" h 1 qt. pot \$12.00 and 2.5 gal. \$30.00

Water Hawthorne *Aponogeton distachyos* Emerald-green long oblong leaves float on the water. Fork of small white flowers with tiny brown freckles and a delicious vanilla scent. Active in spring and fall with water temps 35–70°F. ○ 24" spread 2 bulbs \$12.00

Water Hyacinth *Eichhornia crassipes* Floating plant great for filtration and containers. Glossy bulbous leaves and showy lavender flower. ○ 6–12" h bareroot \$6.00

Water Hyssop *Bacopa monnieri* Mat-forming creeping ground cover with small glossy leaves that blooms continuously. Five-petal small pinkish white flowers. ○ 12–36" h 3.5" pot \$7.00

Water Lettuce *Pistia stratiotes* Floating plant great for filtration and containers. Fuzzy-leaved rosettes. ○ 4–8" h bareroot \$6.00

Water Petunia, Pink Chi Chi *Ruellia brittoniana* Dark green foliage on long stems covered with pink petunia-like flowers. ○ 24–36" h 2" pot \$5.00

Water Poppy *Hydrocleys nymphoides* Shiny round green leaves and golden yellow poppy-like flowers that frogs love to hang out in. Best planted 4–8" deep where it will grow to a nice floating dense mat. ○ 4–10" h bareroot 3 stems \$5.00

Water Snowball *Gymnocoronis spilanthoides* South American native with trailing stems along the water and white pom-pom flowers. Can be cut back to promote more branching flowers. ○ 12–18" h 1 qt. pot \$15.00

Water Zinnia *Wedelia trilobata* Very prolific bloomer with small, yellow daisy-like flowers along fuzzy stems. Green serrated leaves on a tough, easy to grow ground cover. Trailing. ○ 2" pot \$5.00 1 qt. pot \$15.00

Waterlily

Nymphaea
All these varieties are winter-hardy in Minnesota. Pricing depends on variety, size and growing eyes on the tubers. Multiple prices exist in the same variety. Some have been started in a greenhouse, others are member's divisions. Planting instructions included. bareroot \$5.00–\$40.00 (priced at the sale)

Arc-en-ciel Best pads on a hardy waterlily: olive green speckled with cream, pink and yellow. Large very spiky flowers held above water. Soft pink fades to blush. ○ SM

Attraction Red with white tint on outer petals. Very easy to grow. Great bloomer even in less sun. ○ S

Bernice Ikins Kirk Strawn hybrid has eye-catching reddish pink flower complemented by reddish green leaves. ○ M

Betsy Sakata Light-yellow petals with a faint pink on the outer petals. Dark green pads have purplish flecks. ○ M

Black Princess Such a deep red it almost appears black. A good bloomer with five to six blossoms. May fade in really hot sun and heat of the day. ○ M

Burgundy Princess The outer petals are blushed red, deepening to an intense red at the inner petals. Medium green pads. ○ S

Chromatella Primrose yellow blossoms. Maroon and green pads. Great bloomer even in less sun. ○ S

Chrysantha Petite cup-shaped changeable. Peach to blush flowers with mottled pads. ○ S

Chubby Blush to pale pink 4" flowers with classic shape. ○ M

Colorado Salmon pink. Green pads with purple mottling. Fantastic bloomer in full sun. ○ L

Denver Multiple petals of light yellow. Large green pads dappled with purple. ○ ML

Fuchsia Pom Pom Best New Waterlily 2013. Vivid fuchsia pink multi-petaled blossoms on heavy bloomer. ○ M

Georgia Peach Orange/pink blossoms stay open late into the day. Mottled pads, good for cooler water. ○ ML

Gonnere Large pure white double flowers are free-flowering and fragrant. ○ M

Indiana Color is changeable each day, starting light pink and varying to red wine. Shy bloomer. ○ S

James Brydon Reddish peony-shaped blossoms have a sweet apple scent. One of the few red hardy water lilies that will bloom in partial shade. ○ M

Joey Tomocik Strongest yellow for Minnesota. Prolific bloomer stays open late in the day. Green and purple pads. ○ ML

Layderkeri Fulgens Crimson flowers, green pads. Good for shallow and mid-sized ponds. ○ M

Layderkeri Lilacea Dwarf pink water lily, great for container gardens. Keep shallow and well fertilized for strong blooming. ○ Mini

Mayla Brilliant fuchsia blossoms with high petal count. Needs large container and respite from full sun. ○ L

Mme. Wilfron Gonnere Peony-style soft pink blossoms with deeper center. Bronze tint to new pads. ○ ML

Native White Waterlily *Nymphaea tuberosa* Certified source of tubers from Wisconsin. Large green pads with pure white flowers and bright yellow stamens. Can be planted in natural waterways in Minnesota and Wisconsin. ○ L

Orange Changeable Flowers open yellow, changing to deep orange and finally copper red on the third day. Early to start blooming in the spring, but a bit shy. ○ S

Painted Lady Free-flowering light pink flowers with splashes of white, occasionally mixed with sections of pure white. Green pads also speckled with white and sometimes pink. ○ M

Perry's Fire Opal Reliable large blossoms of deep pink with multiple petals on a smaller lily. An eyecatcher. ○ SM

Perry's Baby Red Cup-shaped deep scarlet prolific bloomer. Green pads. Good for container or small pond. ○ S

Perry's Double White Large white doubles are star-shaped and stand above the water's surface. Slightly scented. Very prolific bloomer with green pads. ○ M

Pink Grapefruit Pink to salmon blossoms, holds color well. Green pads with some purple flecks. ○ M

Red Spider Free-flowering spiky-red petals. Green pads with purple speckles. ○ SM

Sunfire Large pink blossoms with brilliant salmon/yellow centers. Prolific bloomer even in part shade. ○ ML

Tetragona Smallest of the small, considered pygmy. Pure white adorable flowers great for containers and small ponds. ○ Mini

Texas Dawn Reliable yellow hardy waterlily. Will hold blooms above water. Give this one space and stand back. ○ L

Virginia Large snow-white flowers that surround a radiant yellow center. Green leaves with noticeable purple blotches on young leaves. ○ L

Wanvisa 2010 Waterlily of the Year. Pink flowers with salmon speckles occasionally produce pure pink or yellow in sections. Gorgeous mottled pads ○ M

Landon's Aquatic Fertilizer

Favorite granular fertilizer used by Longwood Gardens after trials. 12-20-8 NPK \$5.00/5 oz.

Pondtabbs Aquatic Fertilizer

Super-easy-to-use tablets for all water plants. 10-14-8 NPK 20 tabs \$5.00
